M W Taylor Consulting ~ COVID Recovery Centre Thailand

Submitted by: Mike Taylor ~ Executive Director

M W Taylor Consulting has created a COVID Recovery Centre in Isaan province of Thailand. The centre is 5 kilometers from a village where people returning from Bangkok can heal in the event they have contracted the virus.

Mike Taylor had the centre built it and has funded all food and necessities as well. This has been set up in this rural area so Thai people don't have to die in the streets of Bangkok.
